

CJB Player Consent Form to be used during the Covid-19 Pandemic

We require parental consent before your child takes part in any football activities that are to be arranged in the name of Chesterfield Junior Blues FC.

By replying to this e-mail and stating "I consent for my child to take part", you are confirming that you have read and understood the activities being offered to your child and agree with the measures the club has put in place to manage any risks, including its Covid-19 measures in line with current Government guidance.

A copy of the club's risk assessment is attached to this email. Please run through all the points with your child and ensure that all these measures are adhered to at training sessions and on match days.

If your child has any specific medical conditions, please ensure that you discuss these with the club welfare officer and/or coach and agree the best way to support your child's needs e.g. you staying to watch nearby and taking responsibility to administer the medication.

Important: If anyone shows symptoms of Covid-19 or has been in contact with someone displaying symptoms within the last two weeks, then they should stay at home until an NHS practitioner advises them that they no longer need to remain in isolation. THEY MUST NOT ATTEND SESSIONS.

If you wish to withdraw consent to your child participating in any or all activities, please notify in advance, or as soon as possible

I give permission for to attend training and match days and I have spoken to my child about the importance of social distancing, hygiene protocol and following guidance and instruction from the coaching staff to keep everyone safe.
