20	46"	Length 29"	34"	85 cm

Length measured from the TOP of back collar to bottom of garment

CHOOSING THE BEST SIZE

To measure your clothing size, please follow these simple instructions:

CHEST

Run a flexible tape measure all the way around your chest just below the armpit. Be sure to keep the tape measure horizontal for an exact measurement.

WAIST

Wrap the tape measure around the narrowest part of your waist. Be sure to keep the tape measure horizontal for an exact measurement.

SIZING TIPS - MEN'S

If you want a **TIGHT FIT** garment then you should select the actual garment size that would be 2" bigger than your actual chest measurement.

If you want a **LOOSE FIT** garment then you should select the actual garment size that would be 4" bigger than your actual chest measurement.

*For example If your chest measures 42" you would select a size Medium for a tight fit or a size Large for a looser fit from our sizing chart.

SIZING TIPS - KIDS

All Kids garments should be worn around 4" bigger than the wearers chest measurement to achieve a comfortable fit.

SIZING TIPS - WOMEN'S

All Ladies garments are shaped for a Ladies Fit, to give a comfy fit around the chest area, select the size that is 3" bigger than your actual chest size. Obviously Ladies fits will vary depending on the wearers preference.

*** PLEASE ENSURE THAT YOU READ AND FULLY UNDERSTAND THIS SIZE CHART, AS IT IS THE CUSTOMERS RESPONSIBILITY TO SELECT THE CORRECT SIZE FOR YOUR FIT ***
